BBL
HERO

BBL™ HERO offers next-gen performance compared to other broadband light treatments by working faster, generating more intense light, and being more comfortable.

The treatment is designed to target your whole body, meaning you can quickly and painlessly treat your face and other areas like your neck, chest, hands, arms, legs and more.

MEMBERS ONLY Special

This month stop in and receive a FREE ZO Skin Health Exfoliation Accelerator 1 oz + cosmetic travel bag.

Age Defiance Facial
60 MINUTES | \$130

A dynamic facial that resurfaces damaged skin cells to open pathways for the nourishing benefits of the powerful protein SGF-4 technology. This restores depleted cells to a more vibrant youthful condition.

Collagen is stimulated, fine lines and wrinkles are plumped and filled. The result is a smoother appearance with firmer and more toned skin tissue.
