Over \$60 Value

BRIGHTEN YOUR SKIN!

by getting rid of dead skin cells and impurities with our signature Hydrafacial. The treatment is soothing, moisturizing, and non-invasive while improving the appearance of fine lines, wrinkles, oily & congested skin, skin texture and more.

Only \$219 (\$199 Clinic)

CONSULTATIONS

Consultations for Cosmetic Surgery are available with Dr. Robbins and the Des Moines Plastic Surgery team.

Dr. Robbins utilizes VECTRA 3-D imaging, exclusively for breast augmentation and rhinoplasty, to show the possibilities of their anticipated cosmetic procedure. DMPS is the only practice in Iowa to offer the VECTRA 3-D imaging to cosmetic patients.
